Update	19

Sector	
Type of Incident	Freedom Convoy
Location	Ottawa
Incident Date and Time	28/01/2022 13:29

Brief Synopsis

There are no protestors on Parliament Hill and approximately 200 people on Wellington St.

The OPP Air Unit did a survey on observable commercial vehicles and report the following:
Wellington - between Kent and the Chateau Laurier - 100 commercial motor vehicles (CMV)

SJAM - 60 CMV

King Edward - 20 CMV

Rideau/Sussex area - 20 CMV (with a group of approx. 10 tractors joining them around 1600 hrs)

Jetform Park - 30 CMV and 15-20 pick up trucks

QED - 4 CMV, 2 pick ups and one camper. QED will be opened between Somerset and Catherine to regular traffic with barricades to protect the small group of remaining vehicles.

Numbers do not include the CMV that are moving and parked throughout the core.

Although there have been some minor antagonistic actions by individual trucks, most have been mitigated by PLT or our sworn members.

There have been no issues with the ingress of MP's and Ministers by way of vehicle or foot. Excellent coordination between PPS, OPS and RCMP. The House will be sitting late into the evening due to the ongoing issue in Ukraine.

Collaboration with OFD to address a couple of burn barrels set up. A fuel truck was found to be filling jerry cans for involved Convoy trucks. The operation was shut down and the driver identified.

Predictable challenges encountered again with insufficient resources to fill the required traffic positions.

Command at NCRCC will be turned over to Insp Lemieux
